

Certificate of Conformity of the Factory Production Control
EG07/72221

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Modified bitumen based membranes for the waterproofing of buildings to be used as per the manufacturer's technical specification.

placed on the market under the name or trade mark of

Nile Water Proofing Materials Co. Bitunil

Wadi Al Qamar Road, Al Max,
Alexandria, Egypt

and produced in the manufacturing plant

Nile Water Proofing Materials Co. Bitunil

Wadi Al Qamar Road, Al Max,
Alexandria, Egypt

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

EN 13707:2004 / + A2:2009

under system 2+ for the performances set out above are applied and that the factory production control fulfils all the prescribed requirements for these performances.

This certificate is valid from 20/06/2019 until 20/06/2022 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performances of the declared essential characteristics, do not change, and the construction product and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the factory production control certification body.

Re certification audit due before 20/06/2022.
Issue 3. This certificate was first issued on 20/06/2007
